II. Updates:

A. The draft proposed regulations are now pending in the Joint Committee on Administrative, Executive and Legislative Review. The committee's review period will end during the week of December 18. Depending on what that committee does, the draft proposed regulations could be issued for comment in the January 12, 2024 Maryland Register.

M. Hayes provides this update to members of the Board and attendees.

B. Past forms for PERB action such as Unfair Labor Practice charge forms, Requests for Impasse Determination, and more have been edited for consideration. (For example, to allow filings by email.) At today's Executive Session, PERB will vote on which of those forms to approve. Shortly after any form is approved by PERB, it will be posted on PERB's website.

M. Hayes provides this update. PERB will discuss which of the

forms to approve, and take a vote, followed by publication on the Board's website.

III. Question & Answer

No other matters for public discussion, but M. Hayes opens the meeting up to public attendees for questions, comments, or presentations.

No one appeared to raise a hand or present, so M. Hayes again reminded about the regulations being available for comment in mid January.
